शिक्षा महाकुंभ 2025 : 'Classroom to Society - Building a Healthier World through Education'

## ABOUT NIPER MOHALI

The National Institute of Pharmaceutical Education and Research (NIPER) Mohali is the first national-level institute in pharmaceutical sciences in Bharat, established with the vision of becoming a centre of excellence for advanced studies and research in the field. Declared as an Institute of National Importance by the Government of Bharat, NIPER functions as an autonomous body under the Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers. NIPER Mohali is committed to providing leadership in pharmaceutical education and research, not only within India but also in South East Asia, South Asia, and Africa. It is a proud member of the Association of Indian Universities (AIU) and the Association of Commonwealth Universities (ACU). The Institute is located in S.A.S. Nagar (Mohali), Punjab, approximately 250 km north of Delhi, and spreads across a sprawling 130-acre campus.

### Vision

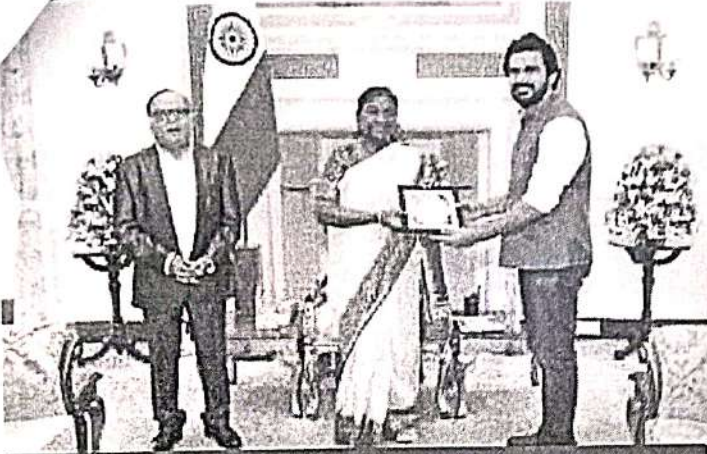

"To become a globally recognized brand in the areas of education and research in pharmaceutical sciences for the benefit of people of Bharat and other countries and the growth of the pharmaceutical industry"

### Mission

- Imparting quality education in pharmaceutical sciences.
- Promoting innovative and translational research.
- Building national and international collaborations and linkages.
- Studying pharmaceutical policy issues at national and global levels.
- Collaborating with the pharmaceutical industry to address global challenges.
- Creating specialized centres to meet industry and academic needs.

Conducting research on drug surveillance, drug use and abuse, and sociological aspects.  
Advancing community pharmacy, pharmaceutical management, and continuing education programmes.

## OUT DEPARTMENT OF HOLISTIC EDUCATION

**Team Shiksha Mahakumbh inviting Smt. Droupadi Murmu, Hon'ble President of Bharat**

To realize the vision of Bharat as a global superpower, we must build an education system rooted in Bharatiya values, powered by skill development, and committed to the holistic development of every learner. Education must transcend academic scores—it should engage the heart, mind, and soul, nurturing responsible citizens, innovative thinkers, and ethical leaders of tomorrow.

Inspired by the transformative vision of Vidya Bharti, the Department of Holistic Education (DHE) was founded to serve as a driving force for educational reform and thought leadership in Bharat. DHE functions as the intellectual and operational nerve centre for:

- Advancing educational discourse aligned with NEP 2020
- Spearheading national initiatives like the Shiksha Mahakumbh Abhiyan
- Designing digital platforms and IT tools for efficient school management
- Enabling cross-disciplinary dialogue and leadership development

Founded in 2021 under Vidya Bharti Punjab, and later scaled nationally under the Vidya Bharti Institute of Training & Research (VBTR) Trust in 2023, DHE has quickly emerged as a respected and action-oriented platform. It has brought together a powerful ecosystem of educators, scientists, doctors, engineers, legal experts, social reformers, and more—working collectively to transform Bharatiya educational landscape.

At the helm of this initiative is Dr. Thakur SKR, a senior scientist at ISRO and a pioneer in educational experimentation. With a deep commitment to value-based, context-sensitive, and innovation-driven learning, Dr. Thakur envisions an education system that instills character, competence, and creativity in the next

generation, while staying grounded in Bhartiya civilizational ethos.

Through the Shiksha Mahakumbh Abhiyan, DHE has created a dynamic, inclusive platform that brings together stakeholders from all walks of life to discuss, innovate, and act on pressing educational challenges. It is not merely a series of events—but a national movement for educational transformation.

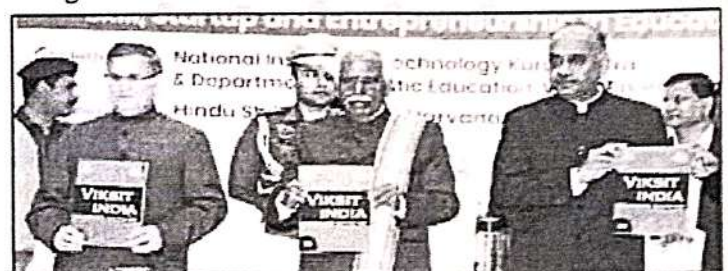

DHE is also leading the development of impact-focused platforms to bring innovation into daily practice:

- Tredul – Transforming tourism for modern classrooms
- Sarvatra – A unified school resource and data management system
- Swadeshi Bazaar – Promoting local innovation and entrepreneurship
- Jobs 360° – Career readiness and employment ecosystem for school Education
- TuDu – Event management platform
- Holistic Harbour – Celebrating global faiths and cultural heritage through community-driven storytelling and linking of Tameples
- Poojawala – Seamless booking of pandits for rituals and spiritual ceremonies
- Vidya Bharti Olympiad – Promoting academic excellence through nationwide talent assessments and learning platforms
- Bharat Super 100 – Empowering school students with strong fundamentals and career exposure through a unique, innovation-driven program

To ensure that the ideas and strategies emerging from these initiatives reach both society and policy makers, DHE publishes four quarterly journals:

- Viksit Bharat (Hindi and English)
- Viksit India (Hindi and English)

These publications curate cutting-edge ideas, success stories, and policy recommendations, reinforcing Bharatiya journey towards becoming a Vishwa Guru through education.

**Release of Journal by Sh. Bandaru Dattatreya, Hon'ble Governor of Haryana**

## ABOUT SHIKSHA MAHAKUMBH ABHIYAN

Shiksha Mahakumbh Abhiyan (SMA) is a visionary multi-edition national movement conceptualised by visionary ISRO scientist and accomplished author Dr. Thakur SKR under the guidance of Sh. Vijay Nadda, Visionary Educationist and Social Reformer that unites leaders from across education, policy, industry, civil society, and the youth to reimagine and reform the Bharatiya education system — while contributing to the evolution of a globally equitable, future-ready learning ecosystem.

Rooted in Bhartiya knowledge systems and aligned with global educational priorities, this initiative serves as a vibrant platform for collaboration, innovation, and action. It is designed to influence educational transformation not only in Bharat but across the globe — bringing together insights from local classrooms and global think tanks alike. It shall act akin to Olympic in the field of education is the ultimate objective of SMA

At the heart of Shiksha Mahakumbh Abhiyan lies an ambitious yet grounded vision: to help shape an inclusive, interdisciplinary, ethical, and resilient global education framework. It emphasizes:

- Integration of global best practices with Bharat iya values
- Innovative pedagogies and future-ready curriculum
- Harnessing technology and digital learning to enhance accessibility and relevance
- Inclusivity and universal access to quality learning
- Teacher training, capacity building, and professional growth
- Policy alignment with UN SDGs and national development goals
- Cultural preservation and global exchange
- Bridging the digital divide through EdTech
- Flexible, skill-based, and multidisciplinary learning models
- Promotion of ethical, sustainable, and local-context education

Each edition of the Mahakumbh is designed not just for discussion but to generate actionable insights, policy roadmaps, and community-driven solutions. Each edition of the Abhiyan builds upon the outcomes of the previous, weaving a continuous thread of innovation, implementation, and impact.

Shiksha Mahakumbh Abhiyan is not just a conference series — it is a national implementation accelerator. Each edition contributes to:

- Actionable frameworks for educational institutions and policy bodies

Team Shiksha Mahakumbh inviting  
Sh. Nayab Singh Saini, Hon'ble Chief Minister, Haryana

Team Shiksha Mahakumbh inviting  
Sh. Yogi Adityanath, Hon'ble Chief Minister of Uttar Pradesh

- Cross-sector partnerships between academia, industry, NGOs, and government
- White papers, manuals, and policy briefs for stakeholders
- Formation of task forces and working groups for follow-through and monitoring

What sets Shiksha Mahakumbh Abhiyan apart is its commitment to deep inclusion. It moves beyond academic silos to engage:

- School teachers, principals, and university leaders
- Youth changemakers, students, and researchers
- Rural educators, grassroots innovators, and panchayat leaders
- Policymakers, industry professionals, and technologists
- NGOs, CSR heads, international diplomats, and media voices

This whole-of-society approach ensures that reforms are not only visionary but also practical, inclusive, and community-driven. The Shiksha Mahakumbh Abhiyan is a clarion call to every citizen, policymaker, and thought leader.
